DREXEL  HERITAGE®

Department of State **Packaged Home Program** Contemporary Collection

By being functional, restrained, & without ornamentation, Drexel's dh Wood incorporates many elements of contemporary furniture styles. The look is certainly versatile and stylish with influences from Scandinavian modern, Shaker, Biedermeier and Oriental.

This Contemporary Collection is the perfect intersection of comfortable & chic completed by the finest craftsmanship and materials. Fashioned from select hardwoods and cherry veneers the very natural essence of this collection allows the true beauty of the woods to be accentuated. The woods are finished in a light natural color -- they are not painted or stained.

The smooth, simple lines of Drexel's dh Wood offer an easy, mixable style that fits right into today's way of contemporary living. In addition, the crisp clean lines of the group allows it to complement a variety of interiors, for a truly timeless look,

The Contemporary Collection is offered in 1, 2 and 3 bedroom size homes that are identified as Houses A, B and C respectively. When a Contemporary House B or C is purchased it includes Mission style Guest Bedroom(s). Each house is available in five different color schemes.
